BOHO
S O K H N A

Life as it should be,

CREATE YOUR OWN
DEFINITION OF
BOHO

Our Bohemian *story*

The concept of BOHO is to live life unconventionally, live life as it should be. To live it to the fullest. To relish in the charm of every moment. To live the life you desire, and create your own definition of BOHO.

Whether your own definition of BOHO is walking up early in the morning to have your yogic quiet time during sunrise on the beach, sit down in a hammock and read your favorite book on the beach while listening to your favorite soothing playlist. Or if BOHO means being adventurous, bold, taking a risk and doing insane activities that your old self will thank you for it later. Then, this is the place for you.

*If you're searching for simplicity
or extravagance, you are home!*

live by **The Seaside**

Featuring an exceptional whereabouts, BOHO directly overlooks the dazzling Red Sea.
